

Who are Volunteering Barnet and how can we help your organisation?

Inspiring and supporting volunteering since 2015, **Volunteering Barnet** is the Borough's accredited Volunteer Centre, and is delivered by Groundwork London in partnership with Barnet Council. We bring volunteers and organisations together to strengthen communities and promote all aspects of volunteering.

Florence Holmes, Volunteer Development Coordinator at Groundwork London, is here to support your organisation and those who use your services to make the most of Barnet's growing volunteer network.

We offer **free bespoke support for all voluntary and community organisations** in the borough that are looking to **harness the power of volunteers**.

We provide:

- Assistance with uploading your opportunities and managing new volunteer applications on [Volunteering Barnet's platform](#), a "one-stop-shop" for all your volunteer recruitment needs!
- One-to-one advice sessions designed around your organisation.
- Regular [training](#) in all areas of volunteer recruitment, management and retention.
- A full [resource bank](#) designed to make your volunteer management easy with helpful guides, templates and checklists.

In addition to organisational support, our Volunteer Centre aims to **help as many Barnet residents into volunteering as we can**. Volunteering can be an amazing way to give back to your community, as a pathway into employment or just as a way of meeting new friends in your area.
